Application Procedures (Mail in Applications)

Please read this document carefully!

Review the Ice Hawks Information document and the Ice Hawks Application as well before your start!

Complete and sign the Ice Hawks Application form (parent/guardian signatures are needed if you are under 18 yrs old.) Mail the Tryout form with your check to the address provided on the application form. **There is a \$15 discount for early submission of the application/payment- see postmark dates for each tryout!**

Be sure to indicate which tryout you would like to attend. Our tryouts are not team fundraisers! The size of each tryout is limited so that we will get a good chance to observe and evaluate you. Please apply early to secure your spot.

We limit the number of goalies at each tryout. Please contact Coach Nick Fatis to check if goalie slots are available. For the date you wish to attend.

USA Hockey Registration-

You will need to register with USA Hockey online. This season, all players trying out for any USA Hockey affiliated team/league must complete the USAH online registration form and pay a registration fee before participating in any hockey tryout. The Individual Member Registration (IMR) number will contain 9 numbers and 5 letters. Please note that USA Hockey requires a valid 2011-12 registration to participate in tryouts for the 2011-12 season: if you currently have a 2010-11 registration, it is not valid for tryouts.

You must register and pay the fee only once regardless of how many teams or tryouts you intend to apply to. If you have already registered and have your # enter it on the application form!

If you have not registered thus far this season, go to the following website- <http://www.usahockeyregistration.com/>

- 1) Choose 'Ice Player'. Check the box acknowledging that you are 18 or older (or have your parents fill this out).
- 2) Select 2011-12 season and enter the requested information.
- 3) Make the payment by credit card. USA Hockey Online accepts Visa, MasterCard, American Express and Discover.
- 4) Print the confirmation page which contains your IMR#. It will also be emailed to you.
- 5) Enter the IMR # on your Ice Hawks Tryout Application. (You may use this IMR# for other tryouts.)

If you don't have access to your own computer, you may use one at school, a library or use a friend's computer. You will need your own or a parent/guardian's credit card and they will need to complete portions of the registration if you are a minor!

Directions, lodging information and schedule of events will be available about one week prior to each tryout.

We are looking forward to seeing you on the ice.
